membership fees

Membership fees for 2008 have been simplified.

- Grounds and Improvements fees are now **included** in the primary membership fee
- Children three and under as of April 1 are included in your primary membership.
- There is no initiation fee.

Examples:

Bob and Mary have three teenage children. Their total would be \$275 + \$155 + \$45 + \$35 + \$35 = \$545.

Dick and Jane, aged 63 and 61, both qualify for the Senior discount. Their total would be \$275 + \$155 - \$60 - \$60 = \$310.

Amanda is a single parent with two children. Her family's total would be \$275 + \$155 + \$45 = \$475

Mike and Amy, a couple, would pay \$275 + \$155 = \$430. Jake, their 2-year-old son, is included in their membership.
